**John O. Winter, D.D.S.**

***Dental Malpractice Injury and Claims Consultant Expert***

**PROFILE**

Over 17 years as a dental consultant to defense attorneys and national dental malpractice insurance companies.

Plaintiff attorney litigation support for dental malpractice injury claims. Dental treatment records, case and standard of care reviews for Certificate of Merit, Affidavit of Merit, Deposition and Testimony.

Completed over 400 defense assignments on dental injury liability claims and suits ranging to one million dollar demands.

Well organized. Able to review and interpret dental treatment and radiology records to provide clear, skilled communication to claims examiners, plaintiff and defense attorneys.

Works professionally and responds timely to assignments demanding investigative expertise in determination of standard of care, causation of damages, liability and valuation for reported incidents, complaints, claims, demands, pre-suits, depositions and litigation.

Articulate and persuasive speaking abilities to effectively communicate complex dental procedures and terminology in understandable layman terms for client attorneys, insurance companies and claims examiners.

Experienced in malpractice claims involving oral surgery, paresthesia, dysesthesia, numbness, endodontics, periodontics, orthodontics, prosthodontics, bridgework, esthetics, fractures,
